INDIA GAMING SHOW (IGS) 2021 **25th Feb – 11th Mar 2021 | CII Hive Platform**

A R E P O R T

The 3rd edition of India Gaming Show (IGS) 2021, an initiative of the Confederation of Indian Industry (CII), supported by the Indian Digital Gaming Society (IDGS) was organized from 25th February – 11th March 2021 on CII Hive Virtual Platform. The event was supported by the Department of Science & Technology, Ministry of Science & Technology; Ministry of Electronics and Information Technology; and Ministry of Information and Broadcasting, Government of India

IGS was launched to promote Indian Gaming, Digital Content & Animation Industry by providing a global level platform to the Indian Business Community and creating a business platform for International partners to explore the vast Indian Market and explore partnership opportunities. The maiden edition of IGS was held in February 2017 in Pragati Maidan, New Delhi.

Post the maiden edition, a “Regional Edition” was hosted in January 2018 – India Gaming Show South, at Bengaluru, Karnataka, followed by the 2nd edition of India Gaming Show in the year February 2019 at New Delhi, India. The Indian Digital Gaming Society (IDGS) was also formed in the year 2018 to bring all stakeholders under an institution.

The past editions of India Gaming show witnessed varied parallel events & activities, ranging from Focused Conferences, B2B Meetings, Country Pavilions, cosplay, Hackathon, Talk Show, Musical Stage Performance by International Artists, ESports, Developer Zones, Product Launches, etc.

India Gaming Show has marked a special milestone for the sector and has helped in addressing the requirements for the growth opportunities and connecting the gaming & animation industry of India, with Global Players.

IGS 2021 over the CII Hive Virtual Platform facilitated Webinars, B2B Meetings, and networking opportunities over the digital space ensuring a smooth participation of large number of visitors and delegates into the event, during the pandemic times.

An international conference was also held concurrently with IGS 2021. The two-week long conference was themed on “**GAMING FOR GOOD – Build in India, Build for the World**”. The conference was addressed by experts and prominent speakers from the Global Gaming Industry, making it one of the important event segment in India. Some of the speakers were Mr. Jayesh Ranjan, Principal Secretary to Government of Telangana; Dr. A.K. Garg, International Cooperation - Bilateral Division & Multilateral division, Ministry of Electronics and IT, Government of India; Mr. Jitendra Vijay, CEO, MeitY Startup Hub, Government of India; Mr. Rajan Navani, Chairman – IGS 2021, President, India Digital Gaming Society (IDGS) and, Vice Chairman and MD, Jetline Group of Companies; Mr. Sharan Tulsiani, Games Partnerships, Google Play; Mr. Girish Menon, Partner and Head - Media and Entertainment, KPMG India; etc.

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government and civil society, through advisory and consultative processes.

For 125 years, CII has been working on shaping India's development journey and, this year, more than ever before, it will continue to proactively transform Indian industry's engagement in national development.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with about 9100 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from 288 national and regional sectoral industry bodies.

CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

With the Theme for 2020-21 as *Building India for a New World: Lives, Livelihood, Growth*, CII will work with Government and industry to bring back growth to the economy and mitigate the enormous human cost of the pandemic by protecting jobs and livelihoods.

With 68 offices, including 10 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 394 counterpart organizations in 133 countries, CII serves as a reference point for Indian industry and the international business community.
